## 3. Responsibilities

- 3.1 In order to fulfil its responsibilities to the Board, the Committee will:

### Financial reports

- (a) review (including by asking the external auditors for an independent judgment about) the appropriateness and integrity of the accounting policies and principles adopted by management in the preparation and presentation of the financial reports and whether the financial disclosures in the notes to the financial reports made by management accurately portray the Company's financial condition, plans and long-term commitments;
- (b) review the financial reports for the half year and full year and related regulatory filings, and consider whether they are accurate, complete, consistent with information known to Committee members, and reflect the Company's accounting policies and principles;
- (c) receive and consider in connection with the half year and full year financial reports a declaration from the Chief Executive Officer (**CEO**) and Chief Financial Officer (**CFO**) to the Board that, in their opinion, the financial records of the Company have been properly maintained and that the financial statements comply with appropriate accounting standards and give a true and fair view of the financial position and

performance of the Company and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively;

- (d) review with management and the external auditors results of the audit.

### **Internal control and risk management**

3.2 In consultation with management:

- (a) prepare a risk profile which describes the material business risks facing the Group, including financial and non-financial matters and taking into account both the Group's legal obligations and the reasonable expectations of the Group's stakeholders (such as securityholders, employees, customers, suppliers, creditors, consumers and the broader community in which the Group operates); and
- (b) regularly review and update the risk profile and provide copies to the Board;
- (c) review and report to the Board (at least annually) on the effectiveness of the Company's internal controls regarding:
  - (i) the Company's financial reporting systems and processes;
  - (ii) due diligence for acquisitions and other new projects;
  - (iii) compliance with confidentiality obligations; and
  - (iv) information technology security.
- (d) review and report to the Board (at least annually) on the effectiveness of internal systems and processes for identifying, managing and monitoring material business risks, including:

  - (ii) litigation and claims; and
  - (iii) fraud and theft;
- (e) obtain regular reports from management on the occurrence and/or status of any material breaches of internal controls or other material risk exposures or incidents and report to the Board (at each Board meeting or earlier, if appropriate) on such breaches, exposures and incidents and generally whether material business risks are being managed effectively;
- (f) review the scope of the external auditors' review of internal control and risk management, review reports on significant findings and recommendations, together with management's responses;
- (g) recommend to the Board any changes to the Company's internal control and risk management framework from time to time as appropriate;

### **External audit**

- (h) review the external auditors' proposed audit scope and approach;
- (i) meet with the external auditors to review reports, and meet separately, at least once a year, to discuss any matters that the Committee or auditors believe should be discussed privately;

- (j) establish policies as appropriate in regards to the independence of the external auditor;
- (k) review the rotation of the audit engagement partner;
- (l) review and confirm the independence of the external auditors by obtaining statements from the auditors on relationships between the auditors and the Company, including non-audit services, and discussing the relationships with the auditors;
- (m) review the performance of the external auditors, and consider the re-appointment and proposed fees of the external auditor and, if appropriate, conduct a tender of the audit. Any subsequent recommendation following the tender for the appointment of an external auditor will be put to the Board and then if a change is approved it will be put forward to shareholders for their approval;

### **Compliance**

- (n) consider the plans and processes for the Group's compliance activities;
- (o) obtain regular updates from management and lawyers regarding compliance matters;
- (p) review the effectiveness of the system for monitoring compliance with laws and regulations and the results of relevant management's investigation and follow-up (including disciplinary action) of any instances of non-compliance;
- (q) review the findings of any examinations by regulatory agencies;

### **Reporting responsibilities**

- (r) regularly report to the Board about Committee activities, issues and related recommendations;
- (s) provide an open avenue of communication between the external auditors and the Board. For the purpose of supporting the independence of their function, the external auditor has a direct line of reporting access to the Committee;
- (t) report to the Board any material exposure to economic, environmental and social sustainability risks and, if the Company is exposed to such risks, how the Company should manage those risks;
- (u) report annually to the Board regarding information to be provided in the Annual Report to shareholders, describing the Committee's composition, responsibilities and how they were discharged, and any other information required by law or the ASX Listing Rules;
- (v) review any other reports the Company issues that relate to the Committee's responsibilities;
